

A Vision for You

We of the 2012 Round Up committee are enthusiastic about our convention, and we hope to show this to you in the coming months.

Our founding members communicated a wish for us in the closing chapter to our Big Book, 'A Vision For You'. Not as a directive, not as something we must achieve, but as something they hoped that we would all find at some point on our A.A. journey; a release from the pain and misery of our last drinking years, and a hope that we might further find that which we had been seeking all along:

Fellowship, Connection, Love, Hope and Peace.

We chose Mennorode as our venue again this year. This is a lovely area. We will have a barbecue, camp fire and sing-along for fellowship and connection. We will take a spiritual path on the guided walks in the woods. We will seek peace during meditation meetings in the enchanting chapel.

We truly hope that you will join us and that the weekend will indeed be one of growth, fun and spirit. In some way everything we do for and in Alcoholics Anonymous should have a spiritual dimension; that is our Vision for ourselves as we begin preparation of an inspiring event, as well as our "Vision for You"

In fellowship,
The Round Up Committee 2012
